

Dear Guild Members.

Your 2019 Jamaica Me Sew Crazy Retreat Committee has formed and is in the process of organizing your MVQG annual get away!

Imagine, if you will, the most relaxing scene you can conjure in your mind of your two favorite pastimes—quilting and going to a tropical paradise! Well, we are in the process of creating just that for you.

The Wingate Hotel has been such a great location for the past couple of years that we are going to continue at the same location. We've had a great working relationship with them and they are looking forward to our return! Mark your calendars for February 16-18, 2019.

We hope you will join us at Wingate Hotel, 3055 Presidential Drive, Fairborn (across from Wright State on Colonel Glenn Highway). We will have tables, evening soups, electricity, security, show and tell, laying out of quilts, massage therapists, convenient parking, handicap parking/rooms, secure entrances to the building, snack tables, smoking area, snow clean up/removal, and complimentary coffee and tea. We are still working on having scissors sharpener and sewing machine cleaning.

**Meal Options** - As last year, we will have menu options available during registration from local eateries that will be delivered to us, as well as evening soups for those who wish to stay in. If you wish to go out there is also a wide array of restaurants nearby. And of course, we have the endless snack table. You are encouraged to come to the January meeting to hear all of the options so you can choose what fits your budget, preference, and meal time. If you are staying at the hotel, there are refrigerators and microwaves in your private rooms, so there is a place for leftovers or for you to bring something from home.

**The private rooms** offer single to quadruple rooming options and the following amenities: Wi-Fi, refrigerator, microwave, coffee maker, TV, larger beds, irons, ironing boards (although there will be plenty in the sewing area). Hotel amenities such as indoor swimming pool, hot tub, exercise area, continental breakfast, access to business center, and 24 hour front desk staff.

**The Sewing Area** - there is room for a maximum of 80 sewers.
